

## **Veterinary Technician/Veterinary Students Skills Form**

Many areas of veterinary medicine involve relying on one another. Therefore we need to know how comfortable you are with your skills. Please rate yourself honestly.

Use the following scale:

- 1 - Never performed
- 2 - Have completed a couple times, but still uncomfortable
- 3 - Know how to complete, but need more practice.
- 4 - Comfortable performing procedure
- 5 - Very comfortable, no practice needed
